A handwritten signature in blue ink, appearing to read "Christian Schuch".

Christian Schuch  
Deputy Head of Certification Body

Dieses Zertifikat ist nur gültig in Verbindung mit dem aktuellen Eintrag im Online-Register.  
This certificate is only valid in combination with the current entry in the Online-Register.

## General Regulations

This certificate is only valid in combination with the current entry in the Online-Register [www.iso21368.com](http://www.iso21368.com). In case of deviations, the entry in the Online-Register [www.iso21368.com](http://www.iso21368.com) always applies.

For recertification, a new application must be submitted to the certification body at least **two months before** the expiry date.

Personal data of the Adhesive Bonding Coordinators are listed on the 3rd page (and any subsequent pages) of this certificate. If this certificate is to be published or made available to third parties, it is the responsibility of the certificate holder to comply with the applicable data protection regulations.

Note: In order to prove certification, it is not necessary to publish personal data of the Adhesive Bonding Coordinators or make them accessible to third parties.

## Changes within the time of validity of the certificate

If the address of the user-company or company site, the class of the certificate or supervisors change, the certification body must be informed immediately. The certification body decides about the necessity of an inspection on the site and change of the certificate.

The certification body must be informed if there are changes or additions to main processes. The certification body decides whether to check the changes on-site and whether it is necessary to change the certificate.

## Withdrawal of the certificate

The certification body can withdraw the certificate if:

- 1) There is a serious shortcoming in the execution of the adhesive bonding work as required by this standard;
- 2) There is a serious shortcoming in the supervision of the adhesive bonding work as required by this standard;
- 3) There is no authorised supervision of the adhesive bonding work;
- 4) The employees carrying out the adhesive bonding work at the practical level do not have valid qualification certificates as required by this standard;
- 5) Other conditions required by this standard are no longer fulfilled;
- 6) The period of validity has expired;
- 7) The user-company does not have certification.

The user company must confirm attention of the withdrawal in written form towards the certification body.

## Distribution

1. Submitter (original)
2. Folder (copy)

Personal data of the Adhesive Bonding Coordinators are listed on this page (and any subsequent pages) of this certificate. If this certificate is to be published or made available to third parties, it is the responsibility of the certificate holder to comply with the applicable data protection regulations.

Note: In order to prove certification, it is not necessary to publish personal data of the Adhesive Bonding Coordinators or make them accessible to third parties.
